

**Fairytales and Fables**  
*presented by Giselle DiBlasi School of Ballet*  
**Spring Recital 2024**  
**Saturday, June 1st - Dress Rehearsals**  
**Sunday, June 2nd - Performances**

\*All classes are in one show except Ballet Company 6 & 7

\* If Combo Class - they will have 2 dances in the same Costume; Company has 2 costumes, one for Ballet and one for Jazz or Contemporary. These costumes and dances are different and separate from our presentation of The Sleeping Beauty on Saturday night.

\* I did my best to get siblings and multiple classes in the same show. It will not work out for all. It is not a guarantee if your dancer(s) are company or are in more than one class. Priority was given to those siblings in Open School Classes (combo and/or once a week classes)
